

Once again Gary offered his house for the year end party/AGM.THANK YOU!! Thanks to Alyson for coordinating the potluck and to our chef/treasurer Bryan who cooked the hamburgers to perfection. Karl went over the agenda and there was a lot of healthy discussion on different issues pertaining to the club which will be taken into account for next year's programming. Congratulations to Dennis, the recipient of the Bruce Childs' Community Club award (provided by OTA) given to an executive member for the recognition for all his hard work-for the restoration of the lighting system. Players can now see the ball in the evenings! After the AGM, it was party time!! Serious pool games, soaking in the hot tub, relaxing in the magic chair and lively music with bongos/guitar/spoons were all part of the entertainment. Thanks Gary.

In the pictures below you'll see: The Hot tub: Just as enchanting as last year; Gary taking a closer look into the depths of his wine bottle. What was he looking for?; Dennis-deserving recipient of the Bruce Childs Community Club award; Karl having a great time discussing the agenda. Who says an AGM is boring! Great minds gathered for the AGM; Karen/Dennis/Mike-we made sure that even the members on the disabled list had a good time AND Carol - the latest victim of Gary's massage chair
